

Eastern Zone Rally Report

Key West FL

May 2 - 7, 2021

Wagonmasters: Neal & Valerie Loth

On Sunday, May 2, 2021, twelve RVF members arrived at Boyd's Key West Campground, in 6 rigs for a Key West Florida adventure hosted by the Floridians Neal & Valerie Loth. Included were President Sue & Dick, Past Pres Bob Craig & Lauri, new members Mike & Pat Freeman and New members Ed Connelly from Illinois and Allen from Florida.

We had the first of our 5pm Happy hours on Sunday with the orientation remarks by Neal & Valerie Loth.

Monday was a trolley tour to introduce everyone to the attractions that are available in Key West. One attraction was Highway Marker 1 the southernmost point in the USA.

Tuesday was a free day capped off with a Sunset Sailboat Cruise crewed by a group of enthusiastic young sailors. Wednesday Happy hour was followed by dinner at a local restaurant.

Thursday we attended a Rotary luncheon meeting at the Key West Rotary Club. One of the members was the third generation owner of our RV park. That evening was a Pot Luck dinner at the park including fried chicken from a nearby store and delicious sides furnished by the group.

Friday was our breakaway breakfast catered by a local restaurant and everyone headed home from the Key West Island Paradise. A great early summer fellowship was enjoyed by all!
